Dear Donald: It is with mixed emotions that I advise you of the Los Angeles Turners departure from Westchester. The Center was sold in February and the movers did their work on 2/28. While the buyer is a church, they intend to rent the Center using the same contract and basic price list that I created. The contact is Pastor Demetrius Allen, [909 443 9545](tel:9094439545), pastorddallen@gmail.com.

Our things are currently in storage and when we have a new future secured we'll invite you to see what we've done. Thank you for your courtesy and we wish everyone in BID the best.

Carole Kulzer Brennan
